

# Jolly Old St. Nicholas

Try to make the quarter notes bouncy.  
Each one should be a basketball bounce.

## *Jolly Old St. Nicholas*

*Jolly old St. Nicholas lean your ear this way.  
Don't you tell a single soul what I'm to say.  
Christmas eve is coming soon.  
Now you dear old man  
Tell me what you'll bring to me.  
Tell me if you can!*

## **CHECK IT OUT!**

- Did you start with an A natural? (Not an A flat.)
- The E is also natural: We're in the key of F
- Notice how every note of the A section is exactly the same as every note of the B section - Except for one note!
- What is the difference between the rhythm of the A&B sections and the rhythm of the C&D sections?
- Why didn't you practice yesterday?
