

Leaves of Autumn

"Now is when the leaves all fall
Dancing, flowing through the air
Falling on my father's jacket
Gathering underneath the stair"

As the wind begins to blow and the leaves drop and swirl, make certain that you LEAVE all **Bbs**, **Ebs** & **Ab**s at home for this piece! LOTS of 2nd fingers: **As** and **Es** are all natural - use 2nd finger. And your **Bs** are natural too - 1st & 2nd fingers. We're in the key of **C major**. *NO* flats at all.

All of the flats have gone out to sea, (C)
so we can *NOT* use them in this key.
The flats are gone, the leaves are here.
I think I'll practice, then have a rootbeer!
