

4 Ideas for your Brain & Horn

Keith J. Robinson June 22, 2017 www.tuba4u.com

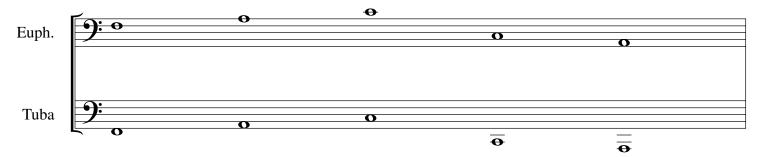

1. Lullaby *Play slowly, smoothly & softly using the following notes:*

2. Resting Create a short piece that uses lots of rests. Let silence be an important part of the music.

3. 2-Notes Choose two of the following notes and stretch your creativity. Use octaves and many rhythms.

4. Duet *1 person creates a melody. The other creates a bass line.*
