Safe - Whew!

So the question remains: *What is Super Marchuuki Oki?* (*mar-chew-key oh-key*)

Marchuuki Oki is that part of every person that lays in wait, disguised as a dream - a fantasy based on how a person might react if faced with a difficult, overwhelming, life-threatening challenge. *What would you do if...* Fortunately, most of us never have to answer this question. But for some... For some it is answered with a split-second decision; with sweat, blood, tears; with a pounding heart rate; with a look in the eyes that says, "I hope I never go through something like that ever again, as long as I live."

So that is what Marchuuki Oki is. *Super Marchuuki Oki* is when someone responds to such a challenge in an unexpected amazing way. Reaching down deeper than ever believed, to do something never dreamed possible. Super Marchuuki Oki.
