

What Time Is It?

(Time to check the Time Signature!)

5

9

Don't you try to stick a rest in on this one! *Don't you do it!!*

13

17

25

33 $\text{♩} = 76$

41

Because of the changing time signatures every several measures, this is a great piece for practicing your counting skills. Count carefully! And keep your eyes (always) looking ahead to see what's coming next.

Get crackin'!
